Dear Mr. White,

We are so grateful for your donation to Care and Share Food Bank during the Coronavirus pandemic. Your commitment and generosity mean so many of our neighbors who have been negatively impacted by present circumstances are able to access the food they need to remain strong. Your support will continue to feed, nourish, empower, and unite our community through these uncertain times.

We are currently acquiring and distributing volumes of food unlike ever before as more neighbors find themselves needing food assistance in Southern Colorado. With the help of volunteers, we mobilized to assemble over 30,000 emergency food boxes and bags for school districts and agencies to distribute in their communities. In order to reach adults age 60+ who are advised to shelter in place, we deployed an emergency food home delivery service through a multi-organizational partnership. The success of this program has allowed us to expand home delivery to families and individuals of all ages who are unable to acquire food on their own. Together, with partners like you, we are accomplishing more than we imagined possible.

Your support gives the confidence we need to rise to meet coming challenges. As we continue to navigate the unknown impact of COVID-19 in our community, efforts will continue to pivot as needed. Thank you for supporting Care and Share Food Bank's efforts to ensure no one goes hungry. We appreciate you and your trust in our work. We hope you are able to stay safe and healthy!

Yours sincerely,

  
Lynne Telford  
CEO
